POINTS**

15th September 2017,
Friday / From 8.30 am to 5.00 pm
Venue: Tex Valley
Coval - Salem NH-47, Gangapuram, Erode

Goals & objectives

- To discuss the tips and tricks of Optometry & Healthcare Management Practices.
- To improve practice, update knowledge, skills in the field of optometry and ophthalmic dispensing.
- To provide transformative professional development in optometry
- After participating in this meeting, attendees should be able to discuss emerging issues and apply recent research findings related to Optometry and Vision Science. Teach the role of healthcare providers and the importance of a holistic and co-operative approach to eye and vision care.
- It also provides a premier interdisciplinary platform for optometry researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Vision Science and Optometry.
