Dear Mr. Mahalingam,

I am happy to understand that Twin Tech Academy Business Management Solutions Pvt. Ltd., Chennai is organizing a National Seminar on “**Health Care Associated Infection Prevention and Control**” .

The aim and objective of the seminar is very appropriate and timely, which would be very beneficial both to the health care personnel, the Hospital and generally for all.

I wish all success for the seminar and I wish best positive results from the participants, resource persons and the organizers.

I convey my heartfelt congratulations for you for organizing this very important seminar.
