Healthcare students awarded certificates

The certificate awarding ceremony of the 12 weekend Executive Program in Healthcare Administration conducted by the TwinTech Academy Business Management was organized successfully on 14th August 2017.

Mr A Mahalingam, Managing Director of TwinTech Academy briefed about the program

in detail and its importance of the program and Prof R Ramakrishnan Director for Strategy talked about TwinTech Academy's programs and activities.

Prof A Singarayar, a Management Professor who was the Chief Guest and Guests of Honour Dr K Paari, Senior Consultant at Sri Ramachandra University and Dr G Kumara Manickavel,

Managing Director of Center for Medical Genetics handed over the certificates to the awardees at this function.

They were from junior, middle and senior level management positions from a broad spectrum of health care institutions covering single specialty to multi-specialty hospitals found the course to be of great relevance to

their vocation in terms of enhancing their skill sets, equipping them to handle direct and indirect healthcare issues and to organize their departments much better.

While the course won overall praise for its holistic approach to hospital administration, in-depth, wide and well researched content and professional levels of tutoring by the faculty, TwinTech staff members won praise and admiration for their efforts in making the entire learning experience very pleasant and memorable. press release said.

TwinTech Academy Business Management conducts a niche, high power workshop on Bio Medical Waste Management

The workshop on Bio Medical Waste Management organized by TwinTech Academy Business Management was held on the 13th of August 2017 at Indian Society of Training and Development Conference hall at Nelson Manickam Road, Chennai.

Shri A Mahalingam, Managing Director flagged off the day's deliberation with a warm welcome address. Prof R Ramakrishnan, Director for Strategy had an interesting note on the need for teaching and training initiatives in an organization and a quick and lively intro of the day's speakers. This was followed by an introduction of Dr D Rambabu MBA, Ph.D General Manager, Vjaya Group of Hospitals who

delivered the Key note address and inaugurated the workshop. Dr Rambabu stressed on the importance of proper disposal of Bio Medical Waste and the steps that are being taken at his hospital in this regard. Mr. Muthiah Ramanathan - Director, Mind Dynamics Centre conducted a session on Networking Skills enabling the delegates know each other using

a variety of activities that energized everyone present. Dr.K.Paari, MD, Senior Consultant (Public Health), Sri Ramachandra University, Chennai, he took the delegates through the current scenario regarding the Bio Medical Waste Management in India. Delegates from medical institutions from across Tamilnadu and a few delegates from other states

also participated in the workshop. They were highly appreciative of topics covered during the day. The thoroughly satiated participants remarked that the sessions enabled them to better understand the nuances on the side with real time scenarios from the experts, delivered maximum content on the spot within short spans of time.
