# TwinTech Healthcare Academy Nursing Excellence Awards - 2025

### Celebrating Nursing Excellence – International Nurses Day 2025

Chennai TwinTech Healthcare Academy takes immense pride in honouring the invaluable contributions of nurses in patient care. Each year, on the occasion of **International Nurses Day (12th May)**—commemorating the birth anniversary of **Florence Nightingale**, the founder of modern nursing—the Academy announces the **Nursing Excellence Award** to recognise and celebrate outstanding dedication, compassion, and professionalism in the field of nursing.

For the year **2025**, after receiving numerous inspiring nominations, **25 exemplary nurses and nursing leaders** have been carefully selected by an esteemed panel of experts. These **healthcare heroines** will be felicitated during a special award ceremony scheduled on **11th May 2025**, at **Chennai**, as a prelude to the World Nurses Day celebrations.

We deeply appreciate and applaud the unwavering commitment, tireless service, and vital role that nurses play in delivering quality healthcare and touching countless lives with empathy and skill.

The **list of selected Nursing Professionals** is attached for your kind information
