Dear Dr. A.Mahalingam,

Warm greetings to you and the entire team at TwinTech Healthcare Academy.

It is truly heartening to learn about the upcoming Nurses Day Program and the Nursing Excellence Award Ceremony – 2025. Your unwavering commitment to recognizing and uplifting the nursing community across Tamil Nadu is both commendable and inspiring. The tireless efforts of nurses — often the unsung heroes of our healthcare system — deserve every accolade for their compassion, dedication, and resilience.

The achievements of TwinTech, especially in providing over 300 training programs and mentoring thousands of students, including many who received free training, reflect a genuine dedication to healthcare education and social responsibility. Honouring 37 exceptional nurses so far, and now expanding the recognition to 25 more outstanding professionals from every district, further strengthens the spirit of service and excellence in the field.

As we approach International Nurses Day 2025, with its global theme emphasizing the health and wellbeing of nurses and the critical role they play in building resilient societies, your initiative stands as a beacon of hope and encouragement for the entire healthcare community. By investing in and celebrating our nurses, we not only acknowledge their invaluable contributions but also inspire future generations to pursue this noble calling.

May this year's ceremony be a resounding success, and may it continue to motivate, empower, and uplift the nursing fraternity. My heartfelt blessings and best wishes to all the nominees, awardees, and the entire organizing team. May your efforts continue to illuminate the path of compassionate care and professional excellence.

With warm regards and prayers,
